EH Color Makeup Lesson

Making up is easy.... when you know how. Learn through easy-to-follow, personalized instructions, how to balance your best features, compliment your personal coloring, and create beautiful, natural-looking makeup.

This lesson includes your own EH Cosmetics makeup kit with your 4 best eye shadows, 2 blushes, and 1 lipstick or lip gloss in a convenient platinum refillable compact. \$125.00

Color Is a powerful force & an important consideration in all aspects of our lives.

Learn how to make color choices that flatter your personal coloring and how to combine these colors for a beautiful wardrobe that suits your style.

- *Learn how to choose the correct values of color for your personal coloring.*
- *See how to use light, bright, subdued & dark colors for the most flattering effects.*
- *Learn how to determine your best color combinations & how to choose a print & solid colors that look like they were made for you.*
- *Be inspired by color combinations that range from subtle to dramatic.*

COLOR

EH Color Analysis

Based on personal color values and intensity, this color system expands the four seasons color concept & recognizes the unique harmony of your hair, skin and eye colors, and their relationship to all colors. These same colors are then translated into color choices that will enhance, flatter, and compliment your wardrobe. Your hand-picked color palette is carefully chosen to reveal your true color pattern ...Your colorstyle.

Makeup application, using EH Color Cosmetics is included. \$250.00
