COLOR

EH Color Analysis

Based on personal color values and intensity, this color system expands the four seasons color concept & recognizes the unique harmony of your hair, skin and eye colors, and their relationship to all colors. These same colors are then translated into color choices that will enhance, flatter, and compliment your wardrobe. Your hand-picked color palette is carefully chosen to reveal your true color pattern, your essence....your colorstyle.

Makeup application, using *EH Color Cosmetics* is included. **\$175.00**
